

Dear Parents and Students,

It is with great pleasure and enthusiasm that I welcome each of you to the 2022-2023 school year at Central Point Preparatory Academy. We are looking forward to an amazing year.

Professionally, I possess over 15 years of experience in the field of education and am licensed as an School Administrator, Administrative Specialist in Curriculum and Instruction, and a K-12 Music Teacher. Motivated by my experiences in school, I received my Bachelor's degree in Music Education, a Master of Arts degree in Educational Leadership, and a Doctor of Education degree in Educational Administration and Leadership. However, it may be more important for you to know

that I am married to my wife of 10 years, Tia, and am the father of two beautiful special needs sons, Deacon and Justen Jr. Therefore, I fully understand the challenges and rewards you face every day as you work to ensure your children have the best educational experiences.

One of the most important aspects of my work here at CPPA will be building strong relationships with students and families.. You'll find me in the hallways, classrooms and at special activities. My passion has been and always will be educating students. With that in mind, you can expect that I will work diligently with teachers to make sure our students are exposed to curriculum and instruction that is both engaging and challenging. I have an open door policy and welcome your input and ideas. My ultimate goal is to make CPPA a school **"Where Students Are Central"**. I'm looking forward to meeting each of you as we start this new and exciting journey.

Sincerely,

Dr. Justen V. Seay, Principal
